For each SMA-Progressed Tariff Rate increase, there will be a \$50.00 programming fee plus \$25 for each branch.

Remit payment and request directly to Easemaker Software, 2102 Springfield Ave., Ft. Wayne, IN 46805.

Your tariff increases will be programmed as soon as payment is received.

Each Form and/or Software Package is time-locked with an anniversary date 1 year from the date of sale / renewal. After 1 year, the fields in the forms/Software turn black, even on past files. Forms and Packages will need to be renewed annually at which time they will be given a new date stamp (time lock). PDF copies of these forms should be stored on computer instead of the Excel files so that past data remains readable. Hard copies (paper copies) should be kept in the customer's files.

Technical support to the purchaser via e-mail for the above electronic forms if needed, will be provided at no additional charge. There also will be provided at no charge 1 editing session to each password-protected spreadsheet for change of address, phone number, name change or similar item change to be handled by email. **The licensing agreement contains detailed information.**
